PROFESSIONAL EXPERIENCE

GTIS Partners

New York, NY

Private Equity Summer Analyst

June 2025 - August 2025

- Received one-on-one mentorship from the CCO alongside 10+ senior executives to learn strategic decision-making in finance while collaborating directly with the CTO and IT Analyst on systems support, software deployment, and strategic IT initiatives
- Organized and maintained deal pipeline by categorizing assets as active or closed deals and segmenting by Opportunity Zone designations (OZ-1 or OZ-2) enabling enhanced portfolio tracking and strategic oversight for senior leadership
- Evaluated Microsoft licenses and proposed consolidation strategies projected to save the firm up to 15% in annual software costs
- Contributed to AI integration initiatives to improve operational efficiency and support technological advancement goals

PROJECT EXPERIENCE

Propsterity | *Python, R, JavaScript, HTML, CSS*

September 2025

- Engineered financial modeling platform at HackMIT analyzing 20+ user financial metrics to generate tailored investment recommendations, multi-year budget forecasts, optimized debt repayment strategies with real-time data visualization
- Designed interactive financial dashboards with 5+ visualization types including waterfall charts and Monte Carlo projections, allowing users to model debt payoff acceleration, compare ROI across investment strategies and long-term wealth trajectories

LEADERSHIP EXPERIENCE

StackHacks

Binghamton, NY

Chief Executive Officer

April 2024 - Present

- Direct Executive Board through strategic delegation, executing technical workshops and networking events for 100+ students
- Establish collaborations with Binghamton University administration to enhance cross-departmental technical project initiatives
- Lead product management strategy and oversee 4 specialized project teams in developing technical solutions for campus needs

Co-Founder and Chief Marketing Officer

April 2024 - May 2025

- Co-Founded StackHacks, a software engineering project team dedicated to supporting underrepresented students
- Drove community growth by leading marketing efforts across multiple channels, leading to a 600% increase in membership

Barclays Equity Research Competition

Binghamton, NY

Competitor

April 2025

- Conducted comprehensive equity research analysis on CrowdStrike (CRWD) and e.l.f. Beauty (ELF), performing DCF modeling, comparable company analysis, and industry trend assessment to generate buy recommendations
- Built detailed financial models incorporating WACC calculations (12.14%), revenue projections through 2028, and beta analysis (1.35%), resulting in ELF price target of \$174.05 representing 170.91% upside potential from \$64.25 current trading price
